

Authorization for use of the CIPM MRA Logo

I, Prof. Andrew J. Wallard, Director of the International Bureau of Weights and Measures (BIPM), on behalf of the International Committee for Weights and Measures (CIPM), authorize **Laboratorio Central Oficial de Electrotecnica, LCOE, Madrid, Spain**

to display the CIPM MRA Logo in their calibration and measurement certificates covered by Calibration Measurement Capabilities (CMCs) published in Appendix C of the CIPM Mutual Recognition Arrangement (MRA) and listed in the BIPM key comparison database (KCDB).

This authorization for use of the CIPM MRA Logo is given on the condition that

Laboratorio Central Oficial de Electrotecnica, LCOE, Madrid, Spain

fully applies the *Guidelines for use of the CIPM MRA Logo* and could be revoked upon breach of any of the provisions set out in the afore-mentioned guidelines. The authorization is valid for two years and it shall be subsequently renewed on a yearly basis by tacit agreement.

Dear Sir,

Following your request (attached) to Prof. Wallard, please find attached the requested authorization letter to display the CIPM MRA logo in your calibration and measurement certificates.

The BIPM Website will be updated shortly.

The original document is also sent today to LCOE by regular mail.

With my best regards

Françoise Joly
